

Oxfordshire's growing **community** where
'people buy people'
and have a **choice** on how they network

Established 2009

What people tell us they want from networking?

- Referrals / introductions (proactive)
- Awareness / Profile raising (Webinars, Social Media, Videos, Press releases, Magazine!)
- Meet ups / Socialising
- Learning / CPD
- Inspiration
- Social
- Access to people, locations, experiences, that they can't obtain on their own
- Access to trusted Suppliers
- Training (networking / business)
- To be part of a Community (Oxfordshire, Businesses)
- Membership of something of value (association with)
- Expert / Experienced / Committed / Proven / Motivated / Supportive / Honest Leadership
- Choice – including No pressure to give referrals or attend every event
- Not being 'sold' to, but feeling they are buying value
- "Golden Ticket"

Our Purpose

- To build a network that offers value to every member
- To build a community of local 'like minded' businesses
- Providing social interaction and wider awareness for our members
- Genuine networking with a purpose of creating and building strong relationships that generate new business opportunities for every member
- Provide a vast choice of events, learning and support to our members
